Generations of trust.

Be aware of the worm challenge in your region. Scan here for our worm heat map, available at livestockfirst.com.au.

Triguard®. Triple combination drench for sheep. **NEW** look, same trusted parasite control.

Triguard is a potent triple-active combination drench. Providing a full dose of 3 short-acting ingredients, Triguard can help delay the onset of resistance. That's why generations of Australian sheep farmers trust Triguard time after time for broad spectrum parasite control.
